Dear Digger Doug, I was wondering how science supports the Bible and how the Bible supports science If you know the answer, please write it in your magazine I'll be the first to see it Juliana Mecaskey, age 10 Dear Juliana, You have asked a great question (I'm sorry it ...

From the Minister

Interestingly, my ringleader neighbor went on to become a paleontologist (sadly I don't think he's ever found a stegosaur) And I hadn't really thought about dinosaurs since my childhood until my daughter brought them back into my life, because if you are learning to love language, all the best words are dinosaur names: Triceratops

õ ì ì Lovelace Ada's Ideas: The Story of Ada Lovelace, the World's First omputer Programmer / Robinson Why read aloud to my first grader? Reading aloud helps children hear and learn new, longer words as well as more complex sentences ooks with lots of pictures are especially helpful for this

purpose

Dinosaur Dreaming 2015 Field Report

On Monday 2 February (my first day on site), an unrecorded digger found something I labelled "You sure is ugly" (#41) I am reasonably certain it refers to the fossil and not the digger, but I was really rather jet-lagged Later that day, an unrecorded digger found a fossil I thought deserved a long description - "Very interesting!"
